General Institute Requirements (GIRs)

The General Institute Requirements include a Communication Requirement that is integrated into both the HASS Requirement and the requirements of each major; see details below.

| Summary of Subject Requirements | Subjects |
|--|----------|
| Science Requirement | 6 |
| Humanities, Arts, and Social Sciences (HASS) Requirement [between one and three subjects can be from the Departmental Program]; at least two of these subjects must be designated as communication- intensive (CI-H) to fulfill the Communication Requirement. | 8 |
| Restricted Electives in Science and Technology (REST) Requirement [can be satisfied by 6.042[J] and 18.06 in the Departmental Program] | 2 |
| Laboratory Requirement (12 units) [can be satisfied by 14.32 in the Departmental Program] | 1 |
| Total GIR Subjects Required for SB Degree | 17 |

Physical Education Requirement

Swimming requirement, plus four physical education courses for eight points.

Departmental Program
